DHS INTERAGENCY COUNTERTERRORISM TASK FORCE ACT OF 2017

SPEECH OF

**HON. HENRY C. "HANK" JOHNSON, JR.**

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, January 9, 2018*

Mr. JOHNSON of Georgia. Mr. Speaker, I rise in support of H.R. 4555, DHS Interagency Counterterrorism Task Force Act.

This legislation provides the Department of Homeland Security (DHS) with the authorization to assign their workforce to participate in overseas interagency counterterrorism task forces. Participation in these task forces will aid in counterterrorism information sharing and combat the threat of terrorism and associated risks to the United States, as determined by DHS.

To continue to fight terrorism domestically and worldwide, I believe it is critical for agencies overseas to have open communications with one another. The more counterterrorism information that the DHS and other task forces overseas share, the more effectively these agencies can strategize. We must provide our security agencies with this critical asset to defend our country and citizens. Encouraging DHS personnel to participate in international task forces could create new solutions and help save the lives of our armed forces and personnel overseas. This task force could also assist the DHS in being more properly prepared to take on any counterterrorism efforts in the U.S.

As a former member of the Armed Services Committee, I have long advocated for protecting our personnel overseas. I strongly believe in providing our U.S. security agencies with the proper training and communication tools to successfully fight terrorism. This legislation will provide the DHS with the appropriate authorization to share information with allies overseas and will bring us one step closer to rooting out terror worldwide. H.R. 4555 will allow DHS personnel to not only build relationships with allied counterterrorism task forces overseas but also help better prepare them to take on terrorism at home.
